NABIP-CT Needs Your Support

The Connecticut Benefit Brokers and the Connecticut Chapter of the National Association of Health Underwriters merged into one organization on July 1, 2011. As of January 1, 2023, the national association changed its name to National Association of Benefits and Insurance Professionals and CT AHU will now be known as NABIP-CT.

NABIP-CT plays an important role as the link between the agent community and the Connecticut General Assembly.

In addition to lobbying on health care issues, NABIP-CT actively meets with insurers, state and federal legislators and our State's Exchange to further our mission. NABIP-CT also provides continuing education seminars that are directly industry related.

With the support of our local partners and with the support of NABIP, we are now positioned to work to improve each member's ability to meet the health and welfare insurance needs of the people of Connecticut.

The 2024 Partnership year runs from January 1, 2024 – December 31, 2024. This is your opportunity to be **SEEN and HEARD** in the Connecticut Broker Community.

Annual Partners receive recognition ALL year long with the following benefits:
