

#### **NOTES OF INTEREST**

- The Connecticut State
   Legislature began the
   2024 Session on February
   7th. The session ends May
   8<sup>th</sup>.
- Next House Session Date: March 25 at 12pm
- Next Senate Session Date: March 25
- Legislative Sessions can be watched live at CT-N.com
- The deadline to refer bills out of the Insurance and Real Estate Committee was Thursday, March 21st. All bills in the committee are now dead.

# March 25, 2024

#### **LEGISLATION**

The deadline to refer bills out of the Insurance and Real Estate Committee was Thursday, March 21<sup>st</sup> at 5PM. Committee leadership failed to agree on an agenda of bills by this deadline, and in an <u>unprecedented occurrence</u>, not a single bill was referred out of the Insurance and Real Estate Committee this year. All 40 bills under the committee's purview have died.

Unfortunately, this includes priority bill <u>HB 5247 - An Act</u> <u>Concerning Employee Health Benefit Consortiums</u>. While all bills are currently dead, we do believe that language from Insurance bills will be included in proposed amendments to other bills on the floor. We will continue to monitor all legislation and amendments as they are published, and provide updates as necessary.

### **Other Legislation of Interest:**

SB 210: An Act Concerning A State-operated Reinsurance Program, Health Care Cost Growth And Site Of Service Billing Requirements.

- Purpose of the Legislation: To: (1) Implement a stateoperated reinsurance program; (2) include hospitals in the health care cost growth and primary care spending target benchmark program administered by the Office of Health Strategy; and (3) require hospital-based facilities to submit such facility's national provider identifier and tax identification number with each claim for reimbursement.
- Current Status: Dead

<u>HB 5377 - An Act Concerning The Connecticut Health Insurance</u> Exchange.

• Purpose of the Legislation: to require the Connecticut Health Insurance Exchange to hold public meetings and receive legislative approval prior to (1) entering into nondisclosure or settlement agreements, or (2) charging assessments or user fees or changing the amount of, or process used to calculate, assessments or user fees.

- HB 5377 had a Public Hearing on March 5<sup>th</sup>. Access Health CT and the Office of the Healthcare Advocate testified against the bill. CBIA testified in support.
- NABIP-CT plans to submit testimony in support of the legislation.
- Current Status: **Dead**

#### **OTHER NEWS**

Prior to the Insurance JF Deadline, Stephanie Amato (Immediate Past President of NABIP CT) attended a press conference with Insurance co-chair Kerry Wood and other stakeholders to urge passage of <u>HB 5247 - An Act Concerning Employee Health Benefit Consortiums</u> out of committee.

#### **ADMINISTRATION**

HB 5054: An Act Addressing Health Care Affordability.

- Governor's Bill
- Legislation directs the Office of Health Strategy to establish affordability standards, which will integrate into rate review the health insurance carriers' efforts to keep yearly increases in premiums at or below the benchmark.
- It also directs OHS to explore best practices for prescription drug affordability, monitor policies in other states, and launch a prescription drug affordability board (PDAB) to work with similar panels across the country. a review of how well health insurers prioritize affordability.
- Includes four new positions targeted at hospital oversight in the state's Office of Health Strategy. One would support "expanded" financial monitoring of hospitals, "to develop advanced warning of financial distress," and to strengthen Connecticut's certificate of need review process.
- The bill also forms an oversight commission to advise the Office of Health Strategy on advancing health equity and supporting equitable access to affordable and high-quality health care for underserved populations
- Current Status: Dead

## HB 5053: <u>An Act Concerning the Governor's Budget Recommendations for Health and Human</u> Services

- Governor's Bill
- Includes language that would decrease the eligibility threshold for the state's Medicaid HUSKY A program from 160% of the federal poverty level, or FPL, to 138%. Individuals who would no longer qualify for Medicaid would instead be able to receive coverage under the Covered Connecticut program, a zero-premium, no cost-share coverage plan through the state's health insurance exchange.
- Current Status: <u>Amended</u> and Referred to the Appropriations Committee

Governor Lamont addressed a joint session of the Connecticut General Assembly on Feb. 7<sup>th</sup>. He presented his <u>FY 2025 Recommended Budget Adjustments</u>. A video and transcript of the address can be viewed <u>here</u>. The Appropriations Committee is currently working to draft their response to the governor's proposal. A final draft of their proposal will be released in late March or early April.
